Dear Mr. Sangleboeuf:

We have received your email dated November 22, 2003, requesting that MPS Electronic Vertriebs GmbH be added as a category "C" distributor under Souriau's listing on Qualified Products List (QPL) 38999. We have reviewed and approved your audit report (No. PS2003-132) on MPS Electronic Vertriebs GmbH and your request is approved. The MPS Electronic Vertriebs GmbH logo is "mps". The following assembly plant location will be added to your listing on the QPL:

MPS Electronic Vertriebs GmbH

It is Souriau's responsibility to ensure that all assemblies produced at the distributor's plant meet the requirements of the applicable military requirements along with assuring that the assembly process conforms with that established at the qualified manufacturing plant. DSCC reserves the right to conduct audits of any and all assembly plants.
